

## **BECOME A PATRON OF GOOSTREY ROSE FESTIVAL**

*Goostrey Rose Day in its current form started in 1905 this not only makes it one of the oldest and largest village festivals in Cheshire, this also makes our village unique.*

*Unfortunately over the same period of time our costs have increased in order for Rose Day to meet current standards.*

*To help secure the future of Rose Day we are looking for supporting Patrons to donate a minimum of £30.*

*As a token of our appreciation Patrons will receive:-*

*Free access to Rose Day for 2 adults*

*2 patrons badges*

*2 free draw tickets*

*Advertised in our programme and on our web & social media site*

*Satisfaction in the knowledge that they have helped to keep this valuable village tradition alive*

**If you are interested in becoming a patron,  
please contact our treasurer**
